

Capability Statement

Company Overview

Cincy Electrical Solutions, LLC, is a full-service industrial and commercial electrical contractor providing the highest quality electrical service in Greater Cincinnati. Founded in January 2009, the company currently has a staff of 20 electricians, six service vehicles, and a bonding capacity of \$1,000,000 per job. The company is certified as a Small Business Enterprise (SBE) with the City of Cincinnati, Hamilton County, and the Metropolitan Sewer District (MSD) of Greater Cincinnati.

Key Services

Cincy Electrical Solutions provides the full scope of electrical construction services for local governments, industrial factories, research and development facilities, business offices, retail operations, school districts, and universities. We perform new construction, renovations, and ongoing maintenance work. Our capabilities include power, voice and data communications, fire alarm, and security systems. We can help customers minimize their utility costs with energy-saving improvements including solar panels, VFDs, and high efficiency lighting.
