### METROPOLITAN SEWER DISTRICT OF GREATER CINCINNATI

## Project ID 10142910 Ludlow Run Sustainable Source Control Contract 95x12762

Progress Report for Professional Services provided August 29, 2022 through September 25, 2022

Arcadis U.S., Inc.

At the request of the Metropolitan Sewer District of Greater Cincinnati, Arcadis worked on the following items as summarized below.

#### Task 1 Project Administration - Planning

- Performed project administration and resource management; communicated updates to MSDGC project manager.
- Draft schedule is under review by MSDGC modeling group and will be updated with next invoice

#### Task 2 Data Review and Collection

• FM data review and development of time series files from data provided by City. Continued development of event files and data review.

# Task 3 Collection System Model Review

 Developing updated GIS shapefile for FlowMeter Basins and determination of impervious area calculations during data review.

#### Task 4 Model Update and Calibration
